December 2018

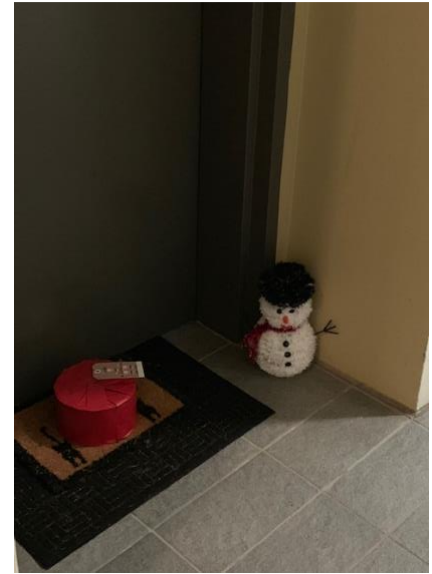

Newstead Terraces

Wishing you all a very Merry Christmas and the very best for a wonderful 2019.

Nicholas has been accepted by the Courier Mail as a Cadet and he started with the paper in early December. I will miss his assistance on Fridays and you will all notice a reduced edge to the quality of writing in the Newstead News! Nic has had his first front page article published already. Hopefully a sign of a brilliant (and financially rewarding) career ahead.

Doogie and I have indulged in a little too much Christmas Cheer, and a lot of sunshine over the Christmas Break. Hope you enjoyed your Christmas Cakes too. We are back in the office full time on Monday 7th Jan.

I am particularly proud of the performance of the ginger plants this year. Thanks to the kind donation from Mark and Julie (U13) we have a frangipani tree in the garden bed down by the pool.

Many of you may not remember, but before I started at Newstead Terraces (01-12-10), there were many many more Frangipani trees in the complex, especially around the pool. Previous management had them removed because of the leaf litter, and perhaps because of the lack of greenery in winter.

Lets see how this one goes.

See you all very soon.
